

## Seed and Fruit 7-48-8

**Guaranteed Analysis: Total Nitrogen (N) ...7%**  
**Total Phosphate (P2O5) ...48%**  
**Soluble Potash (K2O) ...8%**

### Directions for Use/Application Rates:

For use in gardens, lawns, greenhouses and nurseries.

**Foliar Spray:** This product should be used as a foliar spray on plants identified on the label. Standard dilution rate is equivalent to 1 liter of clean water to 12 grams of product. (1 us gallon to 3 tablespoons of product).

Mixing instructions: Stabilize pH of clean water to 7.0 or lower. Mix in product. Agitate well and continue to agitate until applied. Best results are achieved if product is not premixed. Apply as soon as possible after mixing. Handle product with care as it is acidic. Use of this product on crops other than those recommended may result in serious injury to the crop(s).

**Storage and Handling:** Always mix well before use.

Store unmixed product in sealed container, in a cool area, avoid high temperatures and humidity.

### Health and Emergency First Aid:

Review MSDS sheet prior to use. MSDS sheet can be found at

**[www.highbrixmanufacturing.com](http://www.highbrixmanufacturing.com)**

Keep out of reach of children and pets. Use rubber gloves and standard eye protection

Eye Contact: eye irritant – flush eyes with water. Seek medical attention if condition persists.

Skin Contact – skin irritant – flush with water.

Ingestion - Immediately drink water to dilute and seek immediate medical attention.

Avoid inhalation. Use of a #90 mask is advised.

There is no warranty, either expressed or implied, concerning the use of this product other than indicated on the label, by distributor or manufacturer of this product. The recommendations herein for the use of this product are based on

tests believed to be reliable. Recommendation of a professional consultant, actual use, and actual application of the product are beyond the control of the manufacturer and distributor, and therefore no guarantees or warranties are expressed or implied relating to the effectiveness or performance of the product.
